Diesel motor fuel means No. 1 diesel fuel, No. 2 diesel fuel, biodiesel, kerosene, fuel oil or other middle distillate and also motor fuel suitable for use in the operation of an engine of the diesel type. It does not include any product specifically designated No. 4 diesel fuel.

Non-highway diesel motor fuel means any diesel motor fuel that is designated for use other than on a public highway (except for the use of the public highway by farmers to reach adjacent lands), and is dyed diesel motor fuel.

Highway diesel motor fuel means any diesel motor fuel which is not non-highway diesel motor fuel.

Dyed diesel motor fuel means diesel motor fuel which has been dyed in accordance with and for the purpose of complying with the provisions of 26 USC 4082(a).

Mark one:

- I certify that the diesel motor fuel being purchased by me is for resale through my retail filling station. I will collect the applicable taxes on my sale.
- I certify that I am a distributor of diesel motor fuel and the product being purchased by me is highway diesel fuel that I will resell. I will collect the applicable taxes on my sale.
